

**“We** had a wonderful time visiting Gettysburg with our scouts. The adult leaders enjoyed themselves as much as the boys. The bus tour was absolutely perfect along with our guide and bus driver. The scouts are still talking about Jennie Wade and the visit to the house where she died. At our Court of Honor last week, one of our scouts looked straight into the crowd of parents and scouts and told them what a great time he had and that he had seen Abe Lincoln! Thanks so much for putting together a perfect agenda!”
