After a comfortable ride in our coach bus you will arrive in Lancaster County's Amish Country. Our first stop will be for lunch on your own and shopping at Kitchen Kettle Village, a third generation family business featuring 40+ shops and restaurants all committed to quality products and exceptional customer service.

Once you have dined and shopped it is time to witness the landmark production of Noah. You'll be transported to the world's best-known voyage as live animals fill the stage and aisles. Set sail inside the enormous ark as this extraordinary story comes to life in this special 30th anniversary season!
